

Matthew Calvert

4545 Niagara Ave, CA 92107 • (203) 525-0402 • maxx.calvert@gmail.com

OBJECTIVE

To obtain a position as a Registered Nurse, utilize and further develop my skills in servicing all patient populations while functioning as a pivotal member of the support team.

EDUCATION

MiraCosta College, A.D. in Nursing Sciences, GPA: 3.48

Oceanside, CA May 2020

Academy of Medical Training, Certified Nursing Aide Training

Waterbury, CT September 2017

University of Connecticut, B.S. in Allied Health Sciences

Storrs, CT May 2016

CLINICAL EXPERIENCE

- Developed and updated care plans for patients with an interdisciplinary team based on their medical diagnoses, physical assessments, and real-time status for integrated and comprehensive care while becoming proficient in EMR systems such as Epic and Cerner
- Administered and educated patients on medications administered orally, subcutaneously, intravenously, and through NG/G-tubes; acquired experience in invasive techniques placing Foley catheters, intravenous catheters, and NG tubes
- Advocated for patients' needs, serving as a liaison between them and their physicians to promote patient centered care and provided education on topics such as safety, diabetes, nutrition, smoking cessation, and discharge instructions
