Subject: Letter of Recommendation

To Whom It May Concern,

I am submitting this letter on behalf of Veronica Tingzon. She has asked me to write this general letter of recommendation for the New Graduate Nurse program. I have had the pleasure of instructing Veronica in the nursing program at MiraCosta College. I have also worked closely with her as President, and previously as Vice-President, of the MiraCosta College Nursing Students' Association (MCC NSA).

Veronica has been successful in the Nursing program and is an active learner in both didactic and campus/clinical labs. She has an inquisitive personality towards her nursing practice and is able to integrate concepts efficiently. During my observations she demonstrated her developing nursing practice, such as her ability to integrate multiple aspects of her patient's issues into effective nursing care.

Veronica was proactive in approaching me for assistance and always showed a willingness to accept all challenges. Veronica is consistently prepared for patient care, involved in interactive discussions, and always made herself available to assist others. This demonstrates her focus, not only on her own learning, but her leadership towards the MCC NSA, students, and the community.

I highly recommend Veronica Tingzon, without reservation, and believe she is an excellent candidate for the New Graduate Nurse program. She has the skills to fulfill the role of the Registered Nurse, and demonstrated leadership abilities as the current MCC NSA President. Obtaining the New Graduate position would aid her continued professional and personal growth. If you have any questions, please feel free to contact me using the provided information. Thank you for your time and consideration in this matter.

Sincerely,

Roland Estrella, MSN, RN
Full-time Faculty and Nursing Students Association Faculty Advisor
