Subject: Letter of Recommendation

To Whom It May Concern,

I am pleased to write this letter of recommendation for Veronica Tingzon. Veronica is currently enrolled in our 2-year nursing program at Mira Costa College. I had the privilege of being her clinical instructor for her rotation in pediatrics.

In the capacity of her clinical instructor, I found Veronica to be eager and willing to give 100% to all tasks and projects assigned. Veronica was responsible and volunteered to jump in and help out with any task from the mundane to the challenging. She was an excellent student during her rotation in pediatrics and a pleasure to teach.

I genuinely admire her nursing skills and abilities. In particular, her way of communicating and providing care for not only the patient but their family as well. She is naturally compassionate and caring.

Veronica's dedication and commitment to the nursing profession, coupled with her patient care expertise, make her stand out for any job or scholarship opportunities. I would recommend Veronica without reservations for employment or any other endeavors she chooses to pursue. Please feel free to contact me if you have any other questions or concerns.

Sincerely,

*Amber Ford*
